

Help Build our Classroom Library

Donate D.E.A.R. Books & Magazines

Every day, our scholars drop everything and read spending 15– 30 minutes reading what they want, sharing what they have read and receiving support for further reading explorations and reflections.

We need your help to build a classroom library for D.E.A.R. time. For 2017, we are most in need of books for our Level 2 scholars (Grades 3-5). Of course we always welcome book donations for our Level 1 (Grades K-2) and Level 3 (Grades 6-8) scholars.

How you can build a classroom Library:

- Donate books or magazines from your personal stash.
- Lead a book or magazine drive at your workplace, in your neighborhood, with your book club, your house of faith, etc.
- Purchase books and send them to our office at 1030 Arosa Avenue.

“A room without books is like a body without a soul.”

-Cicero
