

2020 Summer Volunteer Opportunities

When you open books, you open doors.

Freedom School Partners promotes the long-term success of children by preventing summer learning loss through igniting a passion for reading and inspiring a love of learning.

While this summer will look different from past summers, we are excited to serve scholars and their families through our FSP 2020 R.E.S.P.O.N.S.E. programming. We look forward to providing reading and enrichment programs, culturally relevant books, and necessary supplies that support our scholars and their families directly in communities where this support is most needed.

Freedom School Partners welcomes volunteers aged 16 and above, as well as younger helpers when accompanied by an adult. Below, you'll find an overview of volunteer opportunities for summer 2020.

Virtual Support <i>Ongoing</i>	Between now and the end of July, Freedom School Partners needs a variety of books and supplies. Site Support <i>June 29 – July 31</i>	Your help at our FSP R.E.S.P.O.N.S.E. sites ensures the smooth running with day-to-day operations, ensuring our scholars get the most from the programming we provide. These opportunities may include: <ul style="list-style-type: none">- Welcoming scholars and their families- Helping at Literacy or Enrichment stations- Distributing snacks- Helping set up and/or break down the site
